Blood Curse of the Marked
You can mark a creature that you can see within 30 feet of you. Until the end of your turn, whenever you deal rite damage to the target, you roll an additional hemocraft die of rite damage.
Amplify. The next attack roll you make against the target before the end of your turn has advantage.

Crimson Rite
As a bonus action, imbue a weapon to strike for 1d6 extra damage of your chosen type. On activating the rite, you take 1d6 damage. Rite damage is magical and lasts while you hold the weapon or until you complete a short/long rest.

Mystic Frenzy
When you use your action to cast a cantrip, you can immediately make one weapon attack as a bonus action.

Nimble Escape
You can take the Disengage or Hide action as a bonus action on each of your turns.

=== BLOOD HUNTER FEATURES ===

* Hit Points • CR

* Proficiencies • CR

* Hunter's Bane • CR
You have advantage on Wisdom (Survival) checks to track fey, fiends, or undead, as well as on Intelligence ability checks to recall information about them.

* Blood Maledict • CR
You can invoke a blood curse a number of times per short rest based on your level. You can choose to amplify the curse, losing 1d6 hit points yourself. Creatures that do not have blood in their bodies are immune to blood curses, unless you have amplified the curse.

| 2 / Short Rest • No Action

* Blood Curses • CR
Your chosen Blood Curses for use with the Blood Maledict feature.

| Blood Curse of the Eyeless • CR
When a creature you can see within 30 feet of you makes an attack roll, you can use your reaction to roll one hemocraft die and subtract the number rolled from the creature's attack roll. You can choose to use this feature after the creature's roll, but before the DM determines whether the attack roll succeeds. The creature is immune if it is immune to blindness.
Amplify. You apply this curse to all of the creature's attack rolls until the end of the turn. You roll a new hemocraft die for each affected attack.

| Blood Curse of the Eyeless : 1 Reaction

| Blood Curse of the Marked • CR
You can mark a creature that you can see within 30 feet of you. Until the end of your turn, whenever you deal rite damage to the target, you roll an additional hemocraft die of rite damage.
Amplify. The next attack roll you make against the target before the end of your turn has advantage.

| 1 Bonus Action

* Fighting Style • CR
You adopt a fighting style specialty.

| Two-Weapon Fighting • CR
When you engage in two-weapon fighting, you can add your ability modifier to the damage of the second attack.

* Crimson Rite • CR
As a bonus action, imbue a weapon to strike for 1d6 extra damage of your chosen type. On activating the rite, you take 1d6 damage. Rite damage is magical and lasts while you hold the weapon or until you complete a short/long rest.

| Rite of the Flame • CR
Your rite damage is fire damage.

| Rite of the Storm • CR
Your rite damage is lightning damage.

| 1 Bonus Action

* Blood Hunter Order • CR

| Order of the Profane Soul

* Otherworldly Patron • CR
You strike a bargain with an otherworldly being of your choice.

| The Hexblade • CR
You have chosen the Hexblade as your otherworldly patron.

* Pact Magic • CR
You can cast known warlock spells using INT as your spellcasting modifier (Spell DC 13, Spell Attack +5). All of your spell slots are of the same level.

* Rite Focus • CR
While you have an active Crimson Rite, you can use your weapon as a spellcasting focus.

| The Hexblade • CR
Whenever you target a creature with a blood curse, your next attack against the cursed creature deals an additional +3 damage.

| Rite Focus - The Hexblade: Special

* Ability Score Improvement • CR

* Extra Attack • CR
Beginning at 5th level, you can attack twice, instead of once, whenever you take the Attack action on your turn.

| Special

* Brand of Castigation • CR
Whenever you damage a creature with your Crimson Rite feature, you can choose to sear an arcane brand of hemocraft magic into it. You always know the direction to the branded creature, and each time the branded creature deals damage to you or a creature you can see within 5 feet of you, the creature suffers 2 psychic damage.
Your brand lasts until you dismiss it, or you apply a brand to another creature.

| 1 / Short Rest • Special

FLAWS

Nilga Moldfoot's story began in a small, hidden village deep within the dense forests of the Wildlands. Born to a family of goblin scholars, she was raised in an environment where knowledge and the pursuit of wisdom were held in the highest regard. Her parents were members of the Cobalt Soul, a monastic order dedicated to the preservation and dissemination of knowledge. From a young age, Nilga showed an insatiable curiosity and an exceptional aptitude for learning. She spent her days devouring books and exploring the mysteries of the world around her.

As Nilga grew older, her thirst for knowledge only deepened. She became fascinated with the arcane arts and began studying the magical texts in her family's library. Her parents, recognizing her potential, decided to send her to the Cobalt Soul's main archive in Zadash to continue her education. It was there that Nilga truly flourished. She quickly became one of the most promising students, impressing her mentors with her sharp intellect and dedication.

However, Nilga's life took a tragic turn when her village was attacked by a group of ruthless bandits. The bandits, led by a cruel and powerful sorcerer named Krazar the Vile, sought the ancient texts and artifacts hidden within the village. Despite the valiant efforts of the villagers and the Cobalt Soul monks, the village was overrun. Nilga's parents were among those who perished in the attack, leaving her with a deep-seated hatred for Krazar and a burning desire for revenge.

Devastated by the loss of her family and home, Nilga vowed to become stronger and to protect the knowledge that her parents had died for. She delved deeper into her studies, focusing on the darker aspects of magic and the art of combat. It was during this time that she discovered her affinity for blood magic, a forbidden and dangerous practice that allowed her to draw power from her own life force. She became a Blood Hunter, a warrior who uses their own blood to fuel their arcane abilities.

Nilga's talents caught the attention of the Cobalt Soul's leadership, and she was initiated into the Order of the Profane Soul, a secretive sect within the order that specialized in combating arcane threats. As a member of this order, Nilga honed her skills in both magic and combat, becoming a formidable opponent to those who would misuse knowledge for their own ends.

Despite her achievements, Nilga could not shake the memory of Krazar and the destruction he had wrought. She spent years tracking him down, using her skills as a researcher and her connections within the Cobalt Soul to gather information on his whereabouts. She learned that Krazar was amassing an army, intent on conquering the lands and acquiring ancient artifacts to increase his power.

Determined to stop him and to avenge her family, Nilga set out on a quest to thwart Krazar's plans. Along the way, she encountered other adventurers who shared her goals, and together they formed a party to confront the sorcerer. The journey was fraught with danger, as they battled Krazar's minions and navigated treacherous landscapes.

Finally, after months of pursuit, Nilga and her companions faced Krazar in a climactic battle. The sorcerer was a formidable foe, wielding dark magic and commanding a legion of undead soldiers. However, Nilga's determination and the combined strength of her party proved to be too much for him. In a fierce confrontation, Nilga struck the final blow, ending Krazar's reign of terror and avenging her family.

With Krazar defeated, Nilga returned to the Cobalt Soul, where she was hailed as a hero. However, the loss of her family and the horrors she had witnessed on her journey left a lasting impact on her. She realized that the world was full of dangers that threatened the balance of knowledge and power, and she vowed to continue her work as a Blood Hunter, protecting the secrets of the past and ensuring that they were used for the betterment of all.

As Nilga embarked on her first-level adventuring career, she carried with her the lessons of her past, the resolve to face the challenges ahead, and the determination to honor the memory of her parents by safeguarding the world's knowledge from those who would seek to misuse it.
