RACE	BACKGROUND / EXPERIENCE POINTS

=== ROGUE FEATURES ===

* Hit Points • PHB 95

* Proficiencies • PHB 95

* Expertise • PHB 96
Your proficiency bonus is doubled for any ability check you make that uses any of the chosen proficiencies.

* Sneak Attack • PHB 96
Once per turn, you can deal an extra 6d6 damage to one creature you hit with an attack with a finesse or ranged weapon if you have advantage on the attack roll. You don't need advantage on the attack roll if another enemy of the target is within 5 ft. of it, that enemy isn't incapacitated, and you don't have disadvantage on the attack roll.

| Special

* Thieves' Cant • PHB 96
You have learned thieves' cant, a secret mix of dialect, jargon, and code that allows you to hide messages in seemingly normal conversation. It takes four times longer to convey such a message than it does to speak the same idea plainly.

* Cunning Action • PHB 96
You can take a bonus action on each of your turns to take the Dash, Disengage, or Hide action.

| 1 Bonus Action

* Roguish Archetype • PHB 96

| Assassin

* Bonus Proficiencies • PHB 97
You gain proficiency with the disguise kit and the poisoner's kit.

* Assassinate • PHB 97
You have advantage on attack rolls against any creature that hasn't taken a turn in the combat yet, and any hit you score against a creature that is surprised is a critical hit.

* Ability Score Improvement • PHB 96

* Uncanny Dodge • PHB 96
When an attacker that you can see hits you with an attack, you can use your reaction to halve the attack's damage against you.

| 1 Reaction

* Evasion • PHB 96
When you are subjected to an effect that allows you to make a DEX saving throw to take only half damage, you instead take no damage if you succeed on the saving throw, and only half damage if you fail.

* Infiltration Expertise • PHB 97
You can unfailingly create false identities for yourself over the course of seven days. If using the identity as a disguise, other creatures believe you to be that person until given an obvious reason not to.

* Reliable Talent • PHB 96
Whenever you make an ability check that lets you add your proficiency bonus, you can treat a d20 roll of 9 or lower as a 10.

| Special

=== AASIMAR RACIAL TRAITS ===

* Ability Score Increases • MotM 5
When determining your character's ability scores, increase one score by 2 and increase a different score by 1, or increase three different scores by 1.

| Increase two scores (+2 / +1) •
Increase one of these scores by 2 and a different score by 1.

* Languages • MotM 5
Your character can speak, read, and write Common and one other language that you and your DM agree is appropriate for the character.

* Creature Type • MotM 7
You are a Humanoid.

* Size • MotM 7
You are Medium or Small. You choose the size when you select this race.

* Speed • MotM 7
Your walking speed is 30 ft.

* Celestial Resistance • MotM 7
You have resistance to necrotic damage and radiant damage.

* Darkvision • MotM 7
You can see in dim light within 60 ft. of you as if it were bright light and in darkness as if it were dim light. You discern colors in that darkness only as shades of gray.

* Healing Hands • MotM 7
As an action, you can touch a creature and heal it for 4d4 hit points.

| 1 / Long Rest • 1 Action

* Light Bearer • MotM 7
You learn the light cantrip. Charisma is your spellcasting ability for it.

* Celestial Revelation • MotM 7

Gold seems like a lot of money to me, and I'll do just about anything for more of it.

FLAWS

Liriel Quickstrike's story begins in the shadowy alleys of Baldur's Gate, where her celestial heritage was more of a curse than a blessing. Abandoned by her parents due to her otherworldly appearance, Liriel was thrust into a life of hardship and survival from a young age. The streets were her home, and the urchins her family. She quickly learned the art of thievery, using her innate charm and agility to navigate the city's underbelly.

As she grew older, Liriel's reputation as a skilled pickpocket and agile rogue spread through the city. Her small size and quick wit allowed her to slip in and out of shadows, pilfering from the rich to survive. Despite her tough exterior, Liriel longed for a sense of belonging and purpose.

Her life took a dark turn when she crossed paths with Garren, a notorious thief who saw potential in the young Aasimar. He took her under his wing, introducing her to the world of organized crime. Under Garren's tutelage, Liriel's skills flourished, but so did her ruthlessness. She learned that in Baldur's Gate, compassion was a weakness. Embracing her neutral evil alignment, Liriel did whatever it took to climb the ranks of the criminal underworld.

Garren's gang became Liriel's twisted version of a family, and she reveled in the power and fear they wielded. However, tragedy struck when a rival gang, led by a brutal half-orc named Krogar, ambushed them. In a bloody massacre, Krogar's gang wiped out Garren's gang, leaving Liriel as the sole survivor. The loss of her newfound family filled her with a burning desire for revenge.

Now, as Liriel Quickstrike, she wanders the streets of Baldur's Gate, a lone assassin with a heart hardened by betrayal and loss. Her skills as a rogue are unmatched, and her name is whispered in fear by those who know it. However, the streets that once offered her refuge now seem suffocating, a constant reminder of her pain and anger.

Determined to carve out her own destiny and fueled by her thirst for vengeance, Liriel decides to leave Baldur's Gate behind. She sets out on a journey to hone her skills and gather the strength needed to confront Krogar. Along the way, she encounters other adventurers, each with their own stories and goals. Reluctantly, Liriel joins forces with them, realizing that in a world filled with danger and uncertainty, there is strength in numbers.

As Liriel ventures into the unknown, she faces challenges that test her skills and morals. She encounters creatures of darkness, treacherous landscapes, and puzzles that require more than just agility and stealth. With each trial, Liriel's resolve is strengthened, and her skills as an assassin are sharpened.

Despite her newfound alliances, Liriel remains guarded, never fully revealing her past or her ultimate goal. Her companions sense the darkness within her, the silent rage that fuels her every move. Yet, they also see glimpses of the person she could have been, had fate been kinder.

Liriel's journey as an adventurer is not just about revenge; it's about discovery. She learns about the world beyond Baldur's Gate, about the delicate balance between good and evil, and about herself. The line between right and wrong blurs as she delves deeper into her quest, forcing her to confront her own nature and the consequences of her actions.

As Liriel Quickstrike stands on the threshold of her first level adventuring career, she is a complex tapestry of experiences and emotions. She is a survivor, a protector, and a seeker of justice in her own twisted way. Her journey is one of darkness and light, of facing the demons within and the monsters without.

In the end, Liriel's story is not just about vengeance; it's about finding her place in a world that has been both cruel and unforgiving. It's about fighting not just for herself, but for those who have no voice. And as she embarks on this new chapter of her life, one thing is certain: Liriel Quickstrike will leave an indelible mark on the world, and Krogar's days are numbered.
